Task 1.4 – Presentation

The client has agreed their agenda for a forthcoming sports committee meeting relating to the consent for the retrofit programme to be completed.

The client is keen to embrace sustainable energy products but has concerns regarding the proposed technologies and their benefits. They have asked you to deliver a presentation to the sports committee to address these concerns.

You need to present the key findings from your report (Task 1.2) to the sports committee.

You must cover:

- The benefits of ground source heat pumps.
- The proposed installation of the collector circuit.
- Technologies relating to water conservation.

You should also consider:

- The long-term benefits of energy conservation for the client.
- Minimising disruption during the project.

Your tutor will take on the role of Chairperson of the sports committee. They will ask questions relating to your findings.

Timing of assessment

- You will have **two hours** to prepare your presentation.
- You will have **30 minutes** to present your findings and respond to questions.

Conditions of assessment

Your presentation **must** be **prepared** working alone under supervised conditions. You will have access to your research materials from Task 1.1, your report from Task 1.2, and your plan from Task 1.3, as well as any presentation materials/notes (e.g. PowerPoint slides).

What you must submit on completion of this presentation task

Presentation materials – e.g. slides, handouts etc.

Submitted as a hard copy or file saved securely as directed by your tutor/supervisor. You must ensure your work is saved as outlined in the ‘Presentation of work’ section of the Candidate Guidance document.

Additional evidence of your performance that will be captured for marking

- Video recording of presentation
- Observation record

Maths, English and digital skills

Through completion of this task, you will have the opportunity to generate evidence of your English skills.
