1.3. What you must submit on completion of this report task 3

1.4. Additional evidence of your performance that will be captured for marking 3

1.5. Maths, English and digital skills 3

Task 1.2 – Report

Following your research of the project, you have been asked to prepare a report of your findings and suggestions to be presented to the Development Manager of Longforth Developments. It is important to consider the additional cost implications of adding renewable technologies and other sustainability solutions, in response to the Governments future Zero Carbon targets in combatting climate change. You will be required to put forward approximate typical costs per housing unit should any changes be proposed.

As part of your written report, you must cover the following areas:

- The overall plan meets the latest design, planning and building regulations and is able to respond to the Future Homes Standard consultation
- Sustainability, Renewable technologies and associated costs.

When producing your report, you will need to use the information provided in the project brief as well as the research notes you prepared in task 1.1 of the project.

It is important to carefully plan your response to the brief and think about how you address specific and general issues, as well as any other issues you can think of. The report should include justifications for any decisions you have made and how research has been used in your response.

Your report should be a minimum of 1,500 words long and not more than 2,500 words long, not including sources or references.

1.1. Timing of assessment

You will have **six hours** to complete your report.

1.2. Conditions of assessment

Your report should be completed independently and working alone under supervised conditions. You will have access to your research materials from task 1.1.

1.3. What you must submit on completion of this report task

Written report (1,500 words minimum, 2,500 words maximum) – hard copy or file saved securely as directed by your tutor/supervisor.

1.4. Additional evidence of your performance that will be captured for marking

N/A

1.5. Maths, English and digital skills

Through completion of this task, you will have the opportunity to generate evidence of your maths, English and digital skills.
