

# T-LEVELS

## T Level transition programme

### Digital offer:

High quality route into the Digital T Levels

Provide learners with work placement preparation

Level 2 study programme which is made up of Knowledge, Skills and Behaviours (KSBs)

Age range 16-19 and up to 24 (EHC plan)

### Key principles:

- Provide relevant preparation for what learners will experience on the T Levels with opportunities to interact with employers
- Develop KSBs in the Digital sector
- Provide development goals via pastoral support
- Provide a holistic approach to develop KSBs via different methods to reinforce learner development/ T Level preparation
- Help learners make the correct decision after completion, whether it's a T Level or alternative destination
- Development and Enrichment

Qualification	Qualification Number	Qualification	Guided Learning Hours (GHL)
<b>Diagnostic and Guidance</b>	Providers to deliver: To assess learners' capability and support needs in order to tailor this Transition Programme to address these needs. Help learners decide which T Level route they want to prepare for.		
<b>GCSE</b> <b>L2 Maths &amp; English Functional Skills</b> (Current funding rules apply to centres wishing to deliver FS)	Providers to deliver	Providers to deliver	GCSE 130 GLH
	4748-04	Level 2 Maths	55 GLH (Maths)
