- Task B - Edit records, input invoices and credit notes
- Task C - Enter customer receipts
- Task D - Produce customer reports, supplier reports and reminders
- Task E - Back up, log off and close down the computer

Scenario

You have been employed as a trainee accountant for **Five Star Homes**, a small company that specialises in supplying building firms display furnishings and light refreshments for show houses.

Your responsibilities include: -

- Entering sales invoices into the accounting software
- Entering purchase invoices into the accounting software
- Ordering any stationery supplies and consumables.

There are a number of transactions to enter on the system. Your manager (Mr John Higgins) has set out the tasks which he sees as a priority and he would like you to try to complete as many of these as possible.

It is early June and the financial year started on 1 April

Note: If you are sitting this assignment between April and June use the **previous** year for your accounts.

The tasks set by your line manager are as follows:-

Read all of the instructions carefully and complete the tasks in the order given.

Task A - Log onto and prepare a PC and prepare a printer and stationery

- 1 Power up the computer, identify the accountancy software and log on using the password provided.
- 2 Ensure that you have a suitable storage medium for backup purposes and to save any reports to.
- 3 Check that you have access to a printer, loaded with sufficient paper.
- 4 Create a folder in your working area or on removable media named **cas1xx** (where **xx** are your initials).

Copy any supplied files (eg **Answers 117 C.rtf**) and any printouts created for this assignment to this folder.

Using your Answers document provided by your assessor save it as **Answers 117 C_XX** (where XX are your initials).

Note:

Throughout this assignment you will be asked to answer some questions and to enter current values from the company accounts. The answers and values can be entered onto this question paper or, if provided by the centre, the answer sheet (**Answers 117 C.rtf**).

If applicable all values are to be in local currency and local taxes will apply.

Ensure that your name is written or typed onto any documents forming the answers to this assignment.

Task B – Edit records, input invoices and credit notes

- 1 A customer has moved premises. Find and edit the customer details.
