

## Unit 304: Contribute to the guest experience

### Activity 11: Global influences on cuisine

---

Working in small groups, research and produce a poster presentation to show how your allocated country has influenced global cuisine.

You should include each of the following points:

- commodities
- etiquette
- cooking techniques
- menu structure
- ingredients.

Countries to be allocated:

- Africa
- Continental Europe
- Indian sub-continent
- Asia
- Middle East
- South America
- North America

Make your posters as visual as possible.

Present your posters to your peer groups to share information.

Carry out peer assessments of the posters.
