1 General Questions

Who is this qualification for?

This qualification is designed for those involved in the inspection and testing of electrical equipment and/or managing the process.

The certificates available are:

- 2377-11 Certificate of Management of Electrical Equipment Maintenance
- 2377-12 Certificate for the Inspection and Testing of Electrical Equipment

The qualification is based on the IEE Code of Practice.

Candidates for the Inspection and Testing certificate should be practising electricians and centres are required to offer a practical test to evaluate their ability to conduct testing.

What level is this qualification available at?

Level 3

What are the Guided Learning Hours (GLH) for this qualification?

30-35 hours.

What is the QCA reference number?

| | |
|--|------------|
| 2377-11 Certificate of Management of Electrical Equipment Maintenance | 100/4338/X |
| 2377-12 Certificate for the Inspection and Testing of Electrical Equipment | 100/4339/1 |

Which qualifications are related to this one?

City & Guilds Level 3 Certificate in Electrotechnical Technology (2330)
City & Guilds Level 3 NVQ in Electrotechnical Services (2356)
City & Guilds Level 3 Certificate in the Requirements for Electrical Installations (BS 7671) (2381)
City & Guilds Level 3 Certificate in Inspection, Testing and Certification of Electrical Installations (2391-01)
City & Guilds Level 3 Certificate in Design, Erection and Verification of Electrical Installations (2391-02)

What progression to other qualifications is available?

Candidates who successfully complete this qualification may wish to take the following Level 3 continuous professional development (CPD) qualifications:

City & Guilds Certificate in Inspection, Testing and Certification of Electrical Installations (2391-01)
City & Guilds Certificate in Design, Erection and Verification of Electrical Installations (2391-02)

Progression to Level 4 qualifications would be for management and engineering roles.

2 Other questions

What is this qualification also known as?

PAT testing

Is there a paper-based version of this exam?

No. The exam is GOLA/online only.

What is the pass mark for this examination?

City & Guilds does not divulge the pass mark to centres and candidates.

Is there a practice test for this examination?

There is no practice test; however sample papers are available from our Sales and Publications department.
