Activities for assessing the Speaking and Listening mode at Entry 3

You have 1 hour and 15 minutes to complete these activities.

These activities are about getting involved in your local community. Local people can go to council meetings and talk about issues that concern them. This is called the People's Forum.

There are People's Forum meetings on
public transport,
keeping the streets clean,
adult education classes,
noisy neighbours,
housing and
what to do with teenagers.

For these activities you will need to choose a meeting you would like to go to.

Speaking and Listening activity 2

You have up to 30 minutes to do this activity.

You are going to phone Gary Chavda at the People's Forum to ask what time the meeting starts.
