Soap star opens supermarket

Jackson's Supermarket opened again on Friday. A large crowd came to see local soap star Gina Peck open the improved store. Gina stayed for over half an hour. She talked to customers and signed autographs.

There are lots of changes at the supermarket. It has a new wide entrance, four new checkouts and more space inside the store. The store is much bigger with wider aisles. It has a bigger household section and a bigger clothing section, a new pharmacy and a crèche. It also has a coffee shop that sells freshly made meals, snacks and drinks.

Store manager, Anna Deloni, said she is delighted with the new store. She added, "The improvements to the store are fantastic and the customers agree. We've had record numbers of customers every day since Friday," she said.
