Jackson's Supermarket encourages customers to tell them what they think about the store.

You are going to tell a supermarket what you think about their store on the Customer Comments Sheet on the next pages.

Think about the comments you would give to **a supermarket you know**. Think about the things you like about the supermarket, the things you don't like and the things they could do better.

You should write in proper sentences and paragraphs, approximately 100 words altogether.

⇒ **Plan your writing.**

You can use any way of planning you find helpful, such as a list, a spidergraph or rough notes.

A large rectangular box with a thin black border, containing ten horizontal lines for writing. The lines are evenly spaced and extend across most of the width of the box, leaving a small margin on the left and right sides.

Writing Activity 3

You have up to an hour to do this activity.

Write a letter to a friend or member of your family.

Tell them about Jackson's Supermarket. Include the things that you find interesting and think that they would like to read. Tell them what you think about it.

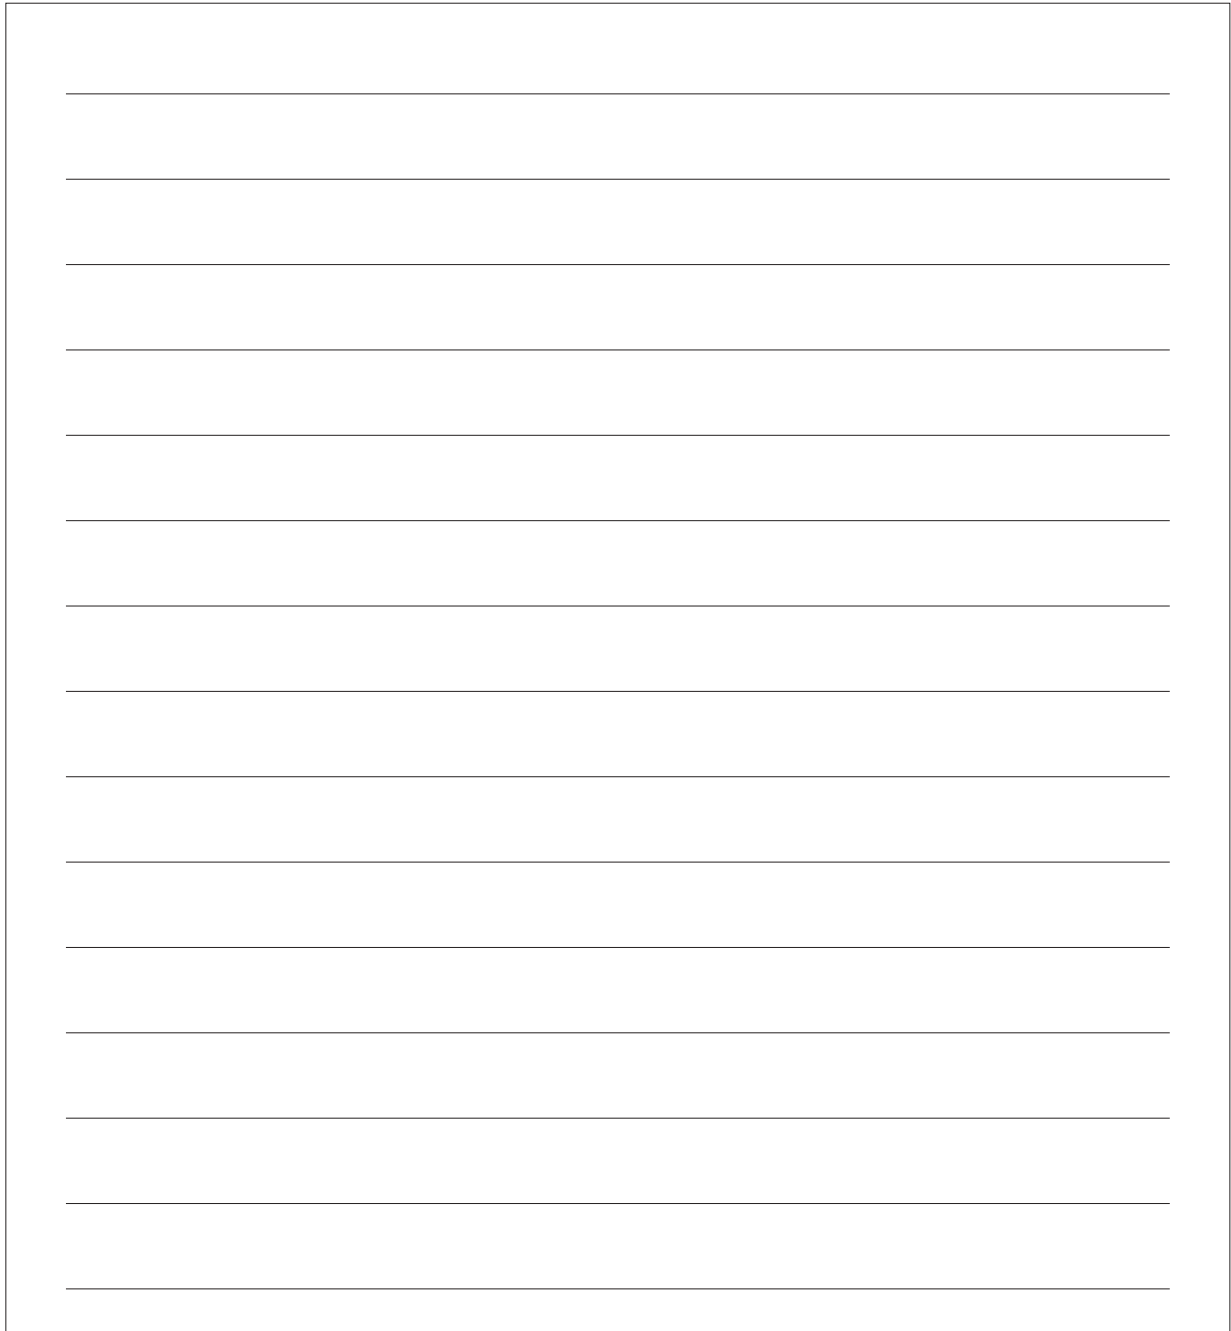

You might want to include information about

- the free delivery
- the Points card
- the customer sheet you filled in
- what you think about the supermarket.

You should write several paragraphs, about a page altogether.

⇒ **You can do a rough copy on the next page if you wish.**

- ⇒ **Write your neat copy here or on a computer.**
If you write it on a computer, attach a printout of your letter.

A large rectangular box with a thin black border, containing 18 horizontal lines spaced evenly down the page, intended for writing a letter or neat copy.

- ⇒ **Check all your work.** (You have up to 15 minutes to do this.)

Give all your work to your tutor.
