UNIT WAREHOUSE

(9980)

To equip learners with the skills for work and as part of our Work Ready programme, we have created a unique Unit Warehouse comprising of **over 150 free standing and fully funded units**. These units are taken from key industry areas such as Customer service, hospitality, retail and warehousing and business and administration. They are in addition to the vocational units that can be found within our Employability and Personal Development qualification. The Unit Warehouse gives you affordable choice.

What is special about the Unit Warehouse?

- All units are eligible for funding in England through the Adult Skills Budget.*
- All key units in one place allowing you to develop personalised programmes, maintaining learner engagement and allowing you to respond to new business opportunities.
- Cost savings as no approval charges or registration fees.**
- Flexible delivery of units rather than full qualifications.
- Each unit receives a unit credit certificate ensuring employer recognition and enhancing learner motivation.

Key Information

- The units range from Entry Level to Level 2, from key industry areas.
- Units are priced simply according to the number of credits.
- Free registration to create a candidate record, then results entry to claim unit certificate.
- All units selected in the Unit Warehouse are portfolio assessed.
- All units are funded in England by the Skills Funding Agency.*
- Ability to recommend additional units to add to the Unit Warehouse, simply e-mail workready@cityandguilds.com

How can you start offering units from the Unit Warehouse?

- All current centres offering Employability and Personal Development (7546) qualifications are given automatic approval to access the units via Walled Garden (www.walled-garden.co.uk), including Direct Claim Status.**
- For current City & Guilds centres, not offering Employability and Personal Development (7546) qualifications, approval is via a simple fast track form.**
Visit www.cityandguilds.com/workready for details of the fast track form.
- For non City & Guilds centres approval is via the common approval process supported through your local office. Visit www.cityandguilds.com/workready for details of your local office.

* units currently listed as funded by the Skills Funding Agency for the Unemployed

** subject to terms and conditions
