

# Personal specification for Independent End-point Assessor

## Plumbing and Domestic Heating Technician

### Essential industry specific qualifications and experience

Up-to-date, relevant, deep and broad experience of working in the following disciplines of the occupational area of the apprenticeship standard including practical and current knowledge of working practices, infrastructure, tools and technologies.

Have excellent knowledge and understanding of the apprenticeship standard as set out in the industry set Grading Criteria.

### Essential qualifications and experience

Occupational competence will be demonstrated by the verifiable evidence of all of the following:

A relevant plumbing level 3 qualification, for example an NVQ Level 3 in Plumbing and Domestic Heating (Where earlier forerunner qualifications are held e.g. City & Guilds Craft or Advanced Craft Certificated, the assessor must demonstrate through CPD evidence a thorough knowledge of the qualification standards that they meet the required criteria. If the potential assessor holds any of the level 3 related qualifications below the assessor must prove competence in related plumbing systems by completion of appropriate CPD)

- Domestic gas
- Plumbing (Domestic) (SVQ)
- Heating and Ventilating Installation (Domestic)

A verifiable CV of industry experience and current knowledge of industry practice and techniques relevant to the occupational area in which they assess.

A thorough knowledge and understanding of the qualification standards and requirements

Hold a recognised workplace assessment qualification, such as an A1 or equivalent qualification

Relevant occupational expertise and knowledge, at the relevant level of the occupational area(s) they are assessing, which has been gained through 'hands on' experience in the Plumbing and Domestic Heating industry. Evidence of updating occupational expertise (at least 10 hours per year):

### Essential knowledge and skills
