City & Guilds Technical Qualifications

Exam timetable and submission deadlines for moderated assessments

The following document contains details of all the theory exams available for City & Guilds Technical Qualifications Autumn 2020, including Level 2 Technical Awards, Level 2 Technical Certificates, Level 3 Advanced Technical Certificates and Level 3 Advanced Technical Diplomas.

In addition it outlines the submission deadlines for moderated assessments in Autumn 2020.

1. Exam timetable

The timetable is listed by industry area.

These are dated exams are only available as a paper-based exam for Autumn 2020. There are **no** e-volve exams available.

All exams, **must** be invigilated according to the *JCQ Instructions for conducting examinations*.

Level 2 candidates are allowed only **two** sittings of any particular exam (an initial sitting, and one re-take opportunity).

Level 3 candidates are allowed only **three** sittings of any particular exam (an initial sitting, and two re-take opportunities).

This applies whether the candidate previously sat the exam as a dated paper, dated e-volve exam, or on-demand e-volve exam. Candidates can take their second/third sitting on a medium that is different from their previous sitting(s), for example a candidate can sit their first sitting as an e-volve exam in March, and take their second or re-take sitting as a paper exam.

Centre Assessment Grades (CAG) results do not count towards the number of sits allowed.

Starting times of dated exams

Each dated exam must be taken on the day and at the time shown on the timetable. The published starting time of all exams is either **9.30am** or **1.30pm**.

Candidates who finish the exam early must remain under supervision until **10.30am** for morning exams and **2.30pm** for afternoon exams.

Centres may **delay the starting time** of an exam within the scheduled session without notifying City & Guilds but candidates must be supervised from **10.00am** for morning exams or **2.00pm** for afternoon exams.

Candidates taking more than one exam in a session should take these consecutively. A **supervised** break may be given between the exams taken consecutively at the discretion of the centre.

In exceptional circumstances where the size of the cohort means that it is not possible for all candidates to sit the exam at the same time, centres may split the cohort with some of the cohort sitting the exam later than the published time, on the same day. The security of the exam must be maintained at all times. Candidates taking the exam at the later time must be **supervised** at all times, and must have no contact with those candidates who have already taken the exam. The exam must be undertaken on the same day as the scheduled exam timetable.

For information on any other timetable variations, please refer to the *JCQ Instructions for conducting examinations* or contact policy@cityandguilds.com
