City & Guilds Technical Qualifications

Exam timetable and submission deadlines for moderated assessments

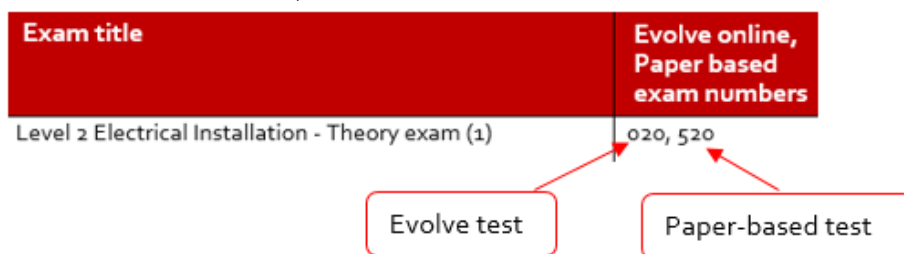

The following document contains details of all the theory exams available for City & Guilds Technical qualifications in 2019, including Level 2 Technical Awards, Level 2 Technical Certificates, Level 3 Advanced Technical Certificates and Level 3 Advanced Technical Diplomas.

In addition it outlines the submission deadlines for moderated assessments in 2019.

1. Exam timetable

The timetable is listed by industry area.

These are dated exams available either as a paper-based exam or on the City & Guilds Evolve online testing platform. Each exam is listed with its Evolve module number first, followed by its paper-based module number. For example:

Some exams are only offered on paper due to the nature of the exam content. Where this is the case their Evolve module number will be listed as 'N/A'.

For **Land-based** qualifications only: exams marked with an * are available both as paper-based dated exams, and on demand on the City & Guilds Evolve online testing platform. Their module numbers are listed separately.

All exams, whether dated or on demand, **must** be invigilated according to the *JCQ Instructions for conducting examinations*.

Candidates are allowed only two sittings of any particular exam (an initial sitting, and one re-sit opportunity). This applies whether the candidate sits the exam as a dated paper, dated Evolve exam, or on demand Evolve exam. Candidates can take their second sitting on a medium that is different from their first sitting, for example a candidate can sit their first sitting as a dated paper test in March, and take their second or re-sit sitting as an on demand Evolve test. In either case candidates will only be allowed two sittings.

Starting times of dated exams

Each dated exam must be taken on the day and at the time shown on the timetable. The published starting time of all exams is either **9.30am** or **1.30pm**.

Candidates who finish the exam early must remain under supervision until **10.30am** for morning exams and **2.30pm** for afternoon exams.

Centres may **delay the starting time** of an exam within the scheduled session without notifying City & Guilds but candidates must be supervised from **10.00am** for morning exams or **2.00pm** for afternoon exams.

Candidates taking more than one exam in a session should take these consecutively. A **supervised** break may be given between the exams taken consecutively at the discretion of the centre.

In exceptional circumstances where the size of the cohort means that it is not possible for all candidates to sit the exam at the same time, centres may split the cohort with some of the cohort sitting the exam later than the published time, on the same day. The security of the exam must be maintained at all times. Candidates taking the exam at the later time must be **supervised** at all times, and must have no contact with those candidates who have already taken the exam. The exam must be undertaken on the same day as the scheduled exam timetable.

For information on any other timetable variations, please refer to the *JCQ Instructions for conducting examinations* or contact policy@cityandguilds.com

2. Submission deadline for moderated assessments

All candidate marks and evidence required for external moderation of the synoptic practical assignments must be submitted to City & Guilds for moderation by the **17 May 2019**.

All samples of grades and evidence required for the external quality assurance of any optional units, or other centre assessed components, will need to be submitted to City & Guilds by the **14 June 2019**.

All evidence for the Employer Involvement components of the post 16 (Key Stage 5) Technical qualifications will need to be submitted to City & Guilds by the **14 June 2019**.

All evidence for the Higher and Extended Project qualifications will need to be submitted to City & Guilds by the **14 June 2019**.

Please refer to the *Marking and Moderation Guide*, and the *Moderation Portal Centre Guide*, available on the City & Guilds website, for further information about the marking, moderation and submission of evidence for the moderated assessments that form part of City & Guilds Technical qualifications.

Please note where candidate marks/grades and/or evidence are not submitted by the listed deadlines, City & Guilds cannot guarantee that candidate grades will be released by the advertised results date.
