Section 3
About your bursary

In this section please tell us more about the City & Guilds or ILM qualification that a bursary would support.

- You will need to list the correct course name, the name of the centre you are interested in studying and (if known) the course code.
- You will need to provide a full breakdown of the financial support you are requesting.

Do you know the course details? Check on www.cityandguilds.com to find out or speak to our Customer Services team on 0844 543 0000 or email centresupport@cityandguilds.com

Course title (e.g. NVQ in Retail)  Course code (eg. 6820)

Centre name (the nearest centre to you offering the course)

Please note a City & Guilds Group bursary would support costs that arise as a result of you completing your City & Guilds or ILM qualification. This includes:

- **Course and/or Exam Fees** – You will need to get a quote from the centre of course fees. If the latest course costs are not available, we will accept a quote from the last course of this type run by the centre.

- **Tools/Materials/Books** – You will need to gather quotes of specific tools, materials and/or books that you will require.

- **Travel** – You will need to decide the mode of transport that you will be using to travel to and from the centre. You will then need to cost a return journey and then multiply this by the number of journeys you will need to undertake for the duration of the course.

- **Childcare** – You will need to calculate what childcare provision you will need by getting a quote from a registered Childcare Provider. City & Guilds Group ONLY provide support towards registered Childcare.

- **Living Costs** – Please note living costs are rarely supported and only considered in extreme circumstances. For example, lunch costs could be covered on exceptional basis.

Unless you have had to move a significant distance away from your previous home with valid reasons in order to complete your qualification, costs such as rent and bills will not be considered.
