

Join us at AAC to take part in our 45 minute workshops below

Each one will be hosted and facilitated by our specialist Technical Advisors and dedicated EPA support teams.

A City & Guilds Group Collaboration

End-to-end Journey to EPA Success with City & Guilds

A walk through of the end-to-end journey from registration to results with City & Guilds. Learn more about our key stages of registration, accessing EPA Support materials, gateway approval, assessment evidence uploads, planning meetings, monitoring assessment progress and accessing results and digital credentials.

Monday 26 April, 12:00-12:45, CG / ILM Stage

Engineering Future, career and progression

This workshop is to showcase all areas of engineering, how the City and Guilds group offer different qualifications and routes into an apprenticeship and why women should get into engineering.

Monday 26 April, 13:15-14:00, CG / ILM Stage

The future of blended learning in apprenticeship delivery

The end to end technology solutions to support learning and assessment throughout the apprentices journey. This will cover how delivery has changed and will continue to use remote and blended learning and assessment approaches, looking at the benefits to providers and learners.

Tuesday 27 April, 12:00-12:45, CG / ILM Stage

Future Skills into Construction

C&G's complete offer and pathways into construction, through a comprehensive education and occupational programme.

Tuesday 27 April, 13:15-14:00, CG / ILM Stage

Stepping Stones into Apprenticeships

This session will focus on pre-apprenticeship programmes such as Traineeship and Restart, that are now in place to offer a stepping stone into apprenticeship programmes and employment. Bryony Kingsland will cover the funding landscape and opportunities for providers and employers.

Wednesday 28 April, 12:00-12:45, CG / ILM Stage

Making leadership & management apprenticeships work for employers: insight from Lloyds and ILM

In the context of their leadership & management apprenticeship programme, this session will explore Lloyds' journey in making apprenticeships work for them and how they have worked with providers to achieve success.

Wednesday 28 April, 13:15-14:00, CG / ILM Stage

Supporting workforce sustainability and career progression in adult care

Join the City & Guilds Health and Social Care industry team as we reflect on our recent employer conversations.

Thursday 29 April, 12:00-12:45, CG / ILM Stage

Apprenticeships, Now and in the Future

This session will be a dynamic discussion around the policy and developments occurring in the apprenticeship landscape.

Thursday 29 April, 13:15-14:00, CG / ILM Stage

Sharing Best Practice on what makes a Good Quality Apprenticeship Experience

The objective of the session is to share best practice around what makes a good quality apprenticeship experience for the apprentice and the employer

Friday 30 April, 12:00-12:45, CG / ILM Stage

Delivering multiple standards across business functions

This session will focus on how providers can work with employers on their workforce development strategy and embed apprenticeships across multiple functions from customer service, IT and leadership.

Friday 30 April, 13:15-14:00, CG / ILM Stage
