## About City & Guilds

Since 1878, City & Guilds has been dedicated to advancing the skills that people, organisations and societies need to thrive, both now and in the future.

As the global skills partner, we empower organisations to grow by creating and delivering comprehensive end-to-end solutions. These include high-quality skills training and credentials designed to meet the evolving needs of industries and workforces. Through our trusted network of colleges and training provider partners, learners across the globe develop skills and competencies that lead to employment and career progression.

Each year, over 5.1 million learners of all ages and backgrounds benefit from City & Guilds learning programmes, which have contributed £15.3bn to society in the UK alone. We champion workforce development and technical training routes that drive social mobility, prosperity, and success. By working closely with industries and governments, we also advocate for improvements across the global skills landscape.

Our City & Guilds Foundation amplifies this purpose by focusing on high-impact social investment, recognition, and advocacy programmes. These initiatives aim to remove barriers to employment, celebrate best practice on the job, and advocate for jobs of the future.

City & Guilds Training, Gen2, Intertrain, ILM, Kineo and The Oxford Group brands are all a part of City & Guilds.
