## Technicals

### Ref: TAGs for 8202

Please familiarise yourselves with the Technicals TAGs process here - [Technicals TAGs](#)

Please don't forget to complete the CPA form following your moderator visit - [CPA form](#)

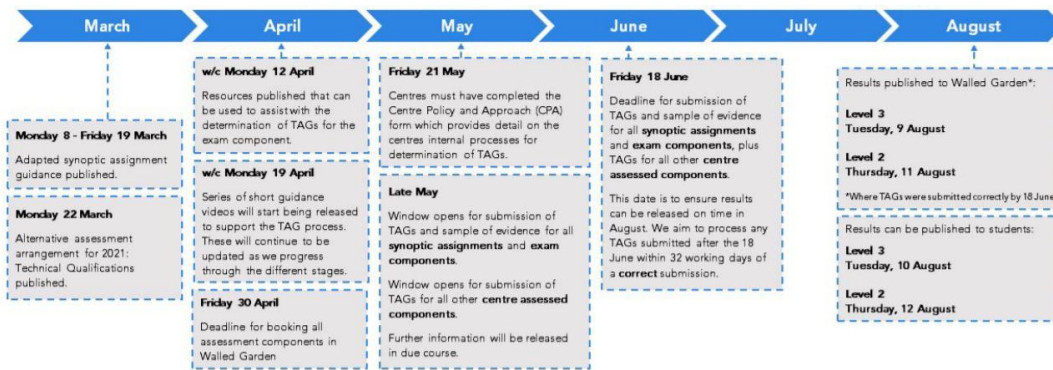

For City & Guilds Technical Qualifications, the assessment results to be determined by TAGs are:

- exam
- synoptic assignment

**Note:** Employer Involvement – the requirement for this has been relaxed and centres will not need to submit results. Centres must however ensure a booking is made for these components in Walled Garden so that the components can be achieved.
