### EPA`s (End Point Assessments)

We understand and appreciate the challenges you are facing with the recent outbreak of Covid-19, and we are committed to providing a positive experience during this disruptive period.

In light of Covid-19 many of our EPAs have been paused until further notice or guidance is received that will allow the EPAs to be carried out in a safe manner that does not jeopardise the validity or the integrity of the EPA. https://www.cityandguilds.com/covid-19/epa

### **VRQ and NVQ Mitigation**

In light of the impact of Covid-19, our overarching aim is allow learners to receive results, where possible, for the summer period so they can progress onto further education and employment without delay. We appreciate that this current situation is concerning and frustrating for you and your learners and we would like to take this opportunity to thank you for your patience as we work through the details of the processes and requirements to ensure you have everything you need to move your learners on.

### Calculated Results

Adaptation

#### Calculated results/centre assessment grades

- Learners will receive a calculated result for assessments they were due to complete this academic year.
- There is sufficient evidence available to form a valid judgement and where there are no health and safety or safeguarding issues
- 6219(6619)/Level 1 Diplomas

### Adaptation for qualifications where.

- A calculated result /centre-assessment grade is not possible
- The validity of the assessment will remain protected
- It does not conflict with identified health and safety or safeguarding issues
- Learners are completing programmes of study where the primary aim is linked directly to occupational or professional competence
- Level 2 and Level 3 Certificates and Diplomas

### **Technicals Mitigation**

Our Walled Garden tool to submit centre assessment grades is now available. Communication has been sent to centres and learners highlighting the process and the resources and documents available to support the process and the guidance on submitting the Centre Assessment Grades.

Further guidance and support is available via our website on the designated Technicals area-<u>https://www.cityandguilds.com/covid-</u> <u>19/technical-qualifications</u>

### 6 Steps for the Submission Process

Draft TQ content and assessments were submitted to IfATE and the Industry Panel April 2020. Feedback was very positive with focus points.

Milestone 2 is currently underway. Validation sessions have taken place with providers and employers. Submission to IfATE June 2020.

Full approval submission to IFATE and OFQUAL August 2020

### **Ministry of Justice**

We appreciate this has been a challenging time for our centres that operate inside the Prison sector. Especially the challenges surrounding in cell learning. Resources are available to support this and a support pack is available from City & Guilds including access to SmartScreen.

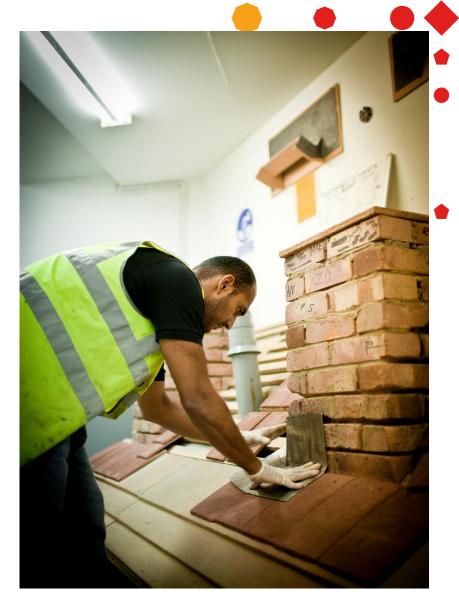

City & Guilds continue to work with the MOJ sector and stakeholders to support our centres and learners during and post Covid-19.

For further support and guidance please contact our designated Technical Advisor for MoJ Construction, Jason Howe.

### **Internal Quality Assurance**

- Check assessors have identified appropriate learners for adaptation
- Apply a risk-based sampling approach on the principles of CAMERA
- Appropriate assessment methods selected in line with adaptation requirements
- Standardisation of assessor decisions across adaptation
- Apply policies, procedures and legislation to meet City and Guilds and external/regulatory requirements.

### **External Quality Assurance**

External Quality Assurance monitoring will be carried out remotely during the Covid-19 emergency. External Quality Assurers will maintain their usual sampling practice. EQAs will plan, select and review their sample of your processes and record their findings on a CAR sampling report. As part of their remote sample, EQAs will carry out interviews of learners by phone or online.

Further guidance is found in section 6.3, page 31 of the VRQ/NVQ mitigation guidance. <u>https://www.cityandguilds.com/-/media/cityandguilds-site/documents/covid-19/vrq-nvq-mitigation-guide-template-construction-</u> <u>pdf.ashx?la=en&hash=3F54AE73143EDA5C4CBF1F403797C3AA70D948AE</u>
