Construction

City & Guilds is the leading brand for construction training and courses in the UK and one of the few brands known throughout the rest of the world. We offer qualifications in construction at entry level through to Level 6. This covers everything from basic hand skills, specialist trade occupations and site supervisory and management skills. Delivered by colleges and training providers throughout the UK, our NVQ qualifications are recognised by the CSCS card scheme and our Level 2 and Level 3 qualifications are recognised in national Apprenticeship Frameworks.

CCATF

City & Guilds and the Cross-Industry Construction Apprenticeship Task Force (CCATF) have joined forces. This will bring a new approach to apprenticeships in the UK construction industry, ensuring that it has the skilled people it needs both now and in the future.

Provider Feedback

Your feedback and communication

At City & Guilds we are always striving to produce and offer the very best qualifications and assessments, that not only meet industry requirements but also learners and centres needs.

That is why your feedback and communication with us is vital. Please share with us your thoughts around our qualifications and assessments.

Working with City & Guilds

Working with us

Development

Work with our qualification and assessment development team to produce the best qualifications on offer.

Scoping

Scoping and reviewing qualification and assessment content is vital to ensure that quals and assessments are fit for purpose and manageable for centres to deliver.

Resources

Following the launch of a qualification it is important that we continue to support or centres. Producing key teaching and learning resources is critical in this process.
