Employer Industry Board

In early summer 2020 we are looking to launch our new look collaborative Employer Industry Board for Construction and Building Services.

The EIB will be integral to our future developments in the Construction and BSE industry.

This board will be made up of trusted representatives. They collectively will come together regularly to discuss and highlight industry changes and demands that will influence the future training and development of both the Construction and BSE qualifications and assessments.

If you would like more information regarding the Employer Industry Board please contact Jason Howe- Jason.howe@cityandguilds.com

Stakeholder engagement

'I would encourage everybody to get involved in helping to shape the future of our industry'

Martyn Price MBE

Chairman of the CCATF (Cross-industry Construction Apprenticeship Task Force)
