

Dear Colleagues

The Construction qualification team have been continuously monitoring developments of the COVID-19 situation with the guidance of the Government and taking all the recommended precautions, including providing products for hygiene at our events. However, as we have moved into the delay phase and recommended to enact distancing, we have chosen to cancel our face-to-face events. All network events will now take place virtually via a webinar or skype and communications regarding these events will be distributed soon.

We know our centres and customers find Technical Advisor support invaluable so, we wanted to reassure you all that the Technical Advisor support and contact is still available as per normal.

In the meantime, we are offering two telephone surgeries each week. These will take place every Tuesday and Thursday from 9.30-12.30. You are welcomed to call or email the Construction Technical Advisor team regarding any queries or questions you may have. Please feel free to call or email the relevant Technical Advisor, details are below.

For Technical qualifications and End Point Assessments please contact:

Paul Brown on 07872 463185 or email paul.brown@cityandguilds.com

For Qualification Wales, Scotland, N. Ireland, Ireland and International please contact:

Ian Roberts on 07826 903967 or email ian.roberts@cityandguilds.com
