Questionnaire

City & Guilds is approved on the Register of End Point Assessment Organisations (RoEPAO) for a range of Hospitality & Catering Apprenticeship Standards.

We would like to invite you to complete a related survey that will allow us to evaluate when your apprentices will require end point assessment.

This survey will only take a few moments of your time to complete and it closes on 27 April 2018. Your feedback is important to us and your answers will be kept in the strictest confidence.
