														30													

Examinations must be held on the date and time they were ordered for. Where local problems mean an examination cannot take place on the day or at the time it has been scheduled for, it may be possible to re-schedule the examination for another day. In such instances, the centre must contact the High Priority Qualifications Manager (highpriorityqualifications@cityandguilds.com) for permission to re-schedule the examination. City & Guilds will then authorise it, and send written confirmation of authorisation in advance of the original examination time. If a change in time and/or date has not been authorised by City & Guilds in writing prior to the start of the original examination time, the examinations will be invalidated. The starting time of an examination may be changed by up to 30 minutes without seeking formal authorisation from City & Guilds, but longer delays must be formally authorised. Examinations can only be held on specific dates shown above. City & Guilds will not accept results for exams booked and/or taken on any other dates unless they have been authorised.
