

12-month countdown timeline for providers

T Level Technical Qualifications in Engineering and Manufacturing

City & Guilds and EAL are developing the T Level Technical Qualifications (TQs) in Engineering and Manufacturing, which will be available for first teaching from September 2022 - available in England only.

- T Level Technical Qualification in Design and Development for Engineering and Manufacturing
- T Level Technical Qualification in Maintenance, Installation and Repair for Engineering and Manufacturing
- T Level Technical Qualification in Engineering, Manufacturing, Processing and Control
