Published Grade Boundaries

We publish the grade boundaries for all exams and synoptic assignments after each results date. You can find the published grade boundaries for spring series exam below. The document is updated throughout the academic year.

Published grade boundaries

Principal examiner reports

Principal examiner reports will start to be published to our website qualification pages over the coming days after each results date.

Spring Exam Series 2023

Exam date	Results released to Walled Garden	Principal examiner reports published
01 March - 10 March	Wednesday 26 April	No later than end of the day Tuesday 02 May
13 March - 24 March	Wednesday 10 May	No later than end of the day Monday 15 May
Level 2 and 3 Electrical and Plumbing exams sat 28 - 30 March	Monday 15 May	No later than end of the day Wednesday 17 May

These reports provide information on how learners performed for each assessment, including the final grade boundaries, the distribution of grades and the pass rate.

We strongly advise centres to read the examiner commentary to help understand where learners may need additional preparation for the next exam series.

You'll find these on the specific qualification pages under the 'Reports' drop-down menu within the 'Documents' tab of the specific qualification page.

City & Guilds will not publish question papers or marking schemes for 2023 examinations. Centres should refer to sample and past papers that are available on our website.
