# City & Guilds Technical Qualifications

## 1. Exam bookings window

The window for making exam entries for eligible learners is **5-20 September 2022**. Bookings should be made through the Walled Garden as normal.

Please be aware that after **20 September**, you will **not** be able to book on Walled Garden, and you will need to contact Centre Support for any late bookings.

We will only provide **paper-based** exams for the Autumn series. An evolve (on-screen) option will **not** be available.

## 2. Exam Autumn 2022 timetable guidance

City & Guilds will be providing a **limited number of autumn exams** (paper only) based on an overall determination of likely volume of need and the following factors:

- Volume of learners sitting the summer exam
- Performance of learners in the summer exam series
- Progression needs and destinations
- Likelihood of genuine improvement between results days and an autumn series.

Please note that no synoptic assessments will be available in autumn 2022 on the same determination of likely volume of need and having taken into consideration the above factors

These are dated exams and are available only as paper-based exams.

All exams **must** be invigilated according to the *JCQ Instructions for conducting examinations*.

Candidates are currently allowed **three** sittings of any particular Technicals exam (an initial sitting, and **two** re-take opportunities) which is applicable for this Autumn series.

### Starting times of dated exams

Each dated exam must be taken on the day and at the time shown on the timetable. The published starting time of all exams is either **9.30am** or **1.30pm**.

Candidates who finish the exam early must remain under supervision until **10.30am** for morning exams and **2.30pm** for afternoon exams.

Centres may **delay the starting time** of an exam within the scheduled session without notifying City & Guilds but candidates must be supervised from **10.00am** for morning exams or **2.00pm** for afternoon exams.

Candidates taking more than one exam in a session should take these consecutively. A **supervised** break may be given between the exams taken consecutively at the discretion of the centre.

**In exceptional circumstances** where the size of the cohort means that it is not possible for all candidates to sit the exam at the same time, centres may split the cohort with some of the cohort sitting the exam later than the published time, on the same day. The security of the exam must be maintained at all times. Candidates taking the exam at the later time must be **supervised** at all times, and must have no contact with those candidates who have already taken the exam. The exam must be undertaken on the same day as the scheduled exam timetable.

For information on any other timetable variations, please refer to the *JCQ Instructions for conducting examinations* or contact [policy@cityandguilds.com](mailto:policy@cityandguilds.com)
