Your career in animal management (animal management/zoos/wildlife) starts here

City & Guilds have numerous qualifications for learners who are interested in developing specific technical and professional skills in the animal management, zoo and wildlife sector. Learners can choose between Technical Qualifications and apprenticeships which can progress into meaningful employment or higher education (university).

Requirements: Centres will set their own entry requirements. Typically 5 GCSEs grades C/4 and above including: maths, English and science. Apprenticeships and Level 1 and 2 full-time programmes are available for those not meeting entry requirements. We strongly advise learners to contact their preferred university or college for details on courses and entry requirements.

Key:	Full-time learning route	Apprenticeship route Employ	ment	
			Learner	
Level 3	(equivalent to 3 A levels in s Requirement for higher edu Foundation degree - typical	ize)		e App main of c
