L2 KS5 Working in Dental Settings (3134)

Level 2 Technical Certificate in Working in Dental Settings (3134)

INFORMATION

DOCUMENTS

Last Updated: 14 Mar 2019

The Level 2 Technical Certificate for preparing to work in Dental Settings is aimed at learners who are looking to start a career working in Dental Health. Learners could progress into employment, onto an Apprenticeship or could decide to further their studies by taking other qualifications at Level 3.

These technical qualifications can also form part of the City & Guilds TechBac – an exciting new programme of study designed to give 14 - 19 year olds the technical and professional skills needed to progress from FE onto an apprenticeship, into university or into the modern jobs market.

To ensure learners develop the wider workplace skills required by employers, TechBac goes above and beyond the technical qualification. It combines an accredited project qualification, practical work experience and critical skills development, brought to life via the TechBac Skills Zone, an innovative online learning hub giving learners the opportunity to practice and develop their skills anytime, anywhere.

Special Considerations for Technical Qualifications Dental, Health Care and Childcare

Assessment for each Technical qualification includes a ;

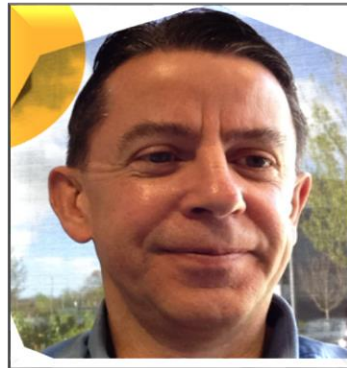

- **Short answer question knowledge test – externally set, externally marked – online or paper based (40% weighting) - includes stretch and challenge questions**
- **Synoptic assignment – externally set, internally marked, externally moderated (60% weighting)**
- **Subject to which qualification is delivered, robust work experience requirements in dental, health, care and childcare**
- **SmartScreen resources for the L3 qualifications**
- **Synoptic assignment released to providers at the start of the academic year in September**
- **No requirement to produce additional unit assignments - reduction in marking burden for lecturers**
- **Formative assessment can be built into individualise learners needs and embedded in teaching and learning**
- **Exam guides, practice tests and exemplar synoptic assignments available – see qualification webpages**
- **UCAS points attached to the KS5 L3 Health & Care Technical qualifications (540 & 1080)**
