**3038-21**

QAN  
601/7247/2

Level 2 Technical Award in Hair & Beauty Studies

**No optional units required**

[Link to 3038 Documents](#)

**Assessment for each this Technical qualification includes:**

- Knowledge exam: Dated paper on-line or paper based
- Synoptic assignment - released at the start of the academic year to help support tutor preparation but is not released to learners until a specific date. Please refer to synoptic assignment for further details

**Photos & Mood boards:**

- Tutors should encouraged learners to take photographs and create mood boards of their work to enhance and showcase their skills.

**Additional Information:**

- This Technical Award in intended to be offered to 14-16 YOs alongside GCSE's it can be delivered over a 1,2 or 3 year programme of study.
- We would recommend that the assessment is not taken until the 2<sup>nd</sup> year to allow time for the learners to develop skills and knowledge required for the external exam and synoptic assignments.

### Assessment for each this Technical qualification includes:

- Knowledge exam: Dated paper on-line or paper based
- Synoptic assignment - released at the start of the academic year to help support tutor preparation but is not released to learners until a specific date. Please refer to synoptic assignment for further details
- Employer involvement

### Industry Portfolio

To support preparing the candidates for employment in the nail industry, candidates are also required to compile an industry portfolio and it **must** be completed to a standard that would be credible to share with a potential employer. This portfolio should consist of images the candidate has produced including a range of nail services and techniques such as natural nail work, gel polish, enhancements and nail art techniques over the duration of their course both within the centre and externally.

The industry portfolio is a separate assessment from the synoptic assignment and should be compiled throughout the qualification.

# KS5 - Complementary Therapies

**6004-30**

QAN  
601/7355/5

Level 3 Advanced Technical Diploma in Complementary  
Therapies (540)  
**+ Case studies**  
**No optional units required**

## Case studies

For completion of these units' learners must complete and provide evidence of:

**Body Massage** – **36** treatments and practical observations of 12 different clients

**Aromatherapy** – **60** treatments and practical observations of 10 different clients – minimum of 80% of treatments must be massage, the remainder can be compresses, inhalation, making up blends for other applications.

**Reflexology** – **100** treatments and practical observations 15 different clients – learners should be encouraged to incorporate their anatomy & physiology into their practice.

This must include; consultation records, with detailed treatment plans, and records. Learners must also complete reflective practice throughout their learning through a reflective log or journal.
