1. Exam timetable and submission deadlines

The following document contains details of all the theory exams available for City & Guilds Technical Qualifications, including Level 2 Technical Awards, Level 2 Technical Certificates, Level 3 Advanced Technical Certificates and Level 3 Advanced Technical Diplomas.

In addition, it outlines the submission deadlines for moderated and internally assessed assessments.

1.1. Exam timetable

The timetable is listed by industry area.

The booking window opens on 2 October 2023 for the spring and summer assessments. We recommend reading the delivery checklist for the full list of dates for your registrations and booking entries.

These are dated exams available either as a paper-based exam (for written exams) or on the City & Guilds e-volve computer-based testing platform (for multiple-choice exams). Each exam is listed with its e-volve module number first, followed by its paper-based module number. For example:

Exam title	e-volve, Paper based exam numbers
Level 2 Electrical Installation - Theory exam	020, 520

The diagram shows a table with two columns: 'Exam title' and 'e-volve, Paper based exam numbers'. The first row contains 'Level 2 Electrical Installation - Theory exam' and '020, 520'. Below the table, there are two callout boxes: 'e-volve exam' with an arrow pointing to '020', and 'Paper-based exam' with an arrow pointing to '520'.

Written exams are **only** offered on paper and an e-volve option will **not** be offered. Where this is the case their e-volve module number will be listed as 'N/A'.

All exams **must** be invigilated according to the JCQ Instructions for conducting examinations.

Level 2 candidates are allowed only **three** sittings of any particular exam (an initial sitting, and two re-take opportunities).

Level 3 candidates are allowed only **three** sittings of any particular exam (an initial sitting, and two re-take opportunities).

1.2. Starting times of dated exams

Each dated exam must be taken on the day and at the time shown on the timetable. The published starting time of all exams is either **9.30am** or **1.30pm**.

Candidates who finish the exam early **must** remain under supervision until **10.30am** for morning exams and **2.30pm** for afternoon exams.

Centres may **delay the starting time** of an exam within the scheduled session without notifying City & Guilds, but candidates must be supervised from **10.00am** for morning exams or **2.00pm** for afternoon exams.

Candidates taking more than one exam in a session should take these consecutively. A **supervised** break may be given between the exams taken consecutively at the discretion of the centre.

In **exceptional circumstances** where the size of the cohort means that it is not possible for all candidates to sit the exam at the same time, centres may split the cohort with some of the cohort sitting the exam later than the published time, on the same day. The security of the exam must be maintained at all times. Candidates taking the exam at the later time must be **supervised** at all times and must have no contact with those candidates who have already taken the exam. The exam must be undertaken on the same day as the scheduled exam timetable.

For information on any other timetable variations, please refer to the JCQ Instructions for conducting examinations here [‘ICE’ – Instructions for conducting examinations - JCQ Joint Council for Qualifications](#) or contact policy@cityandguilds.com

1.3. Exam timetable clashes

City & Guilds takes reasonable steps to avoid timetable clashes. However, due to the volume of exams across different timetables and Awarding Organisations especially in the summer series, it is not always possible to avoid clashes. Some clashes may be more impactful for some centres than others.

The following blog from the Joint Council of Qualifications (JCQ) may be helpful in managing exam timetable clashes:

<https://www.jcq.org.uk/exams-office/blogs/supporting-exams-officers-with-timetable-clashes/>

1.4. Contingency days for exams

City & Guilds has provided the following contingency sessions for the spring and summer examination series.

Series	Exam contingency date
Spring	Monday 25 March
Summer	Wednesday 26 June (<i>date is provisional and is subject to change</i>)

These days may be used if a significant, unexpected event arises **nationally** during the exam period such that no students (or a large number of them) are able to take an exam when planned. It is part of City & Guilds contingency planning for Technicals examinations and may be used for the spring and/or the summer examination series. It **cannot** be used for individual candidate absence or illness or local events at individual centres.

Centres should remind candidates that they must remain available until each of the contingency dates has passed in case they are required. Examination staff such as invigilators and examination venues will also need to be available on these dates.

Where a contingency date is used for exam(s), **only paper-based exams will be available** – E-volve on-screen exams **cannot** be used.

These contingency examination dates **must only** be used following direct instructions by City & Guilds.

1.5. Results release for Spring

We have previously provided a first spring and second spring exam series with staggered results dates. However, for 2024 onwards, there will be a single spring exam series with a single results release dates – with 8202 Electrical and Plumbing results provided later due to exam timetabling considerations.

Series	Results day
Spring	Wednesday 8 May
8202 Electrical and Plumbing	Wednesday 15 May

1.6. Results release for Summer

Summer results are made available to centres based on the level.

Level	Results release to centres	Results release to learners
Level 3	Monday 12 August (<i>date is provisional and is subject to change</i>) Level 3 including summer series exams, assignments and qualification results released to centres	Thursday 15 August (<i>date is provisional and is subject to change</i>) Level 3 including summer series exams, assignments and qualification results released to learners
Level 2	Wednesday 21 August (<i>date is provisional and is subject to change</i>) Level 2 including summer series exams, assignments and qualification results released to centres qualification results released to centres	Thursday 22 August (<i>date is provisional and is subject to change</i>) Level 2 including summer series exams, assignments and qualification results released to learners

1.7. Results release for Autumn

The Autumn exam series is for a limited number of Key Stage 4 Technical Awards **only**.

Level	Results release to centres	Results release to learners
Level 2	Wednesday 8 January 2025 (<i>date is provisional and is subject to change</i>) Level 2 Autumn series exam results released to centres	Thursday 9 January 2025 (<i>date is provisional and is subject to change</i>) Level 2 Autumn series exams results released to learners

1.8. Submission dates for moderated and internally marked assessments

All candidate marks and evidence required for external moderation of the synoptic assignments must be submitted to City & Guilds for moderation by **17 May 2024 for Levels 2 and 3**.

The Closing date to submit grades and evidence to the Moderation Portal of up to two centre-assessed components that City & Guilds intends to sample first (the defined sample) is **04 June 2024**.

The Closing date to submit grades and evidence for any remaining centre-assessed components and any further evidence required for additional sampling (if applicable) and Employer Involvement (KS5 only) is **14 June 2024**.

Please refer to the Quality Guide for Centres, available on the City & Guilds website, for further information about the marking, moderation and submission of evidence for the moderated assessments that form part of City & Guilds Technical Qualifications.

Please note where candidate marks/grades and/or evidence are not submitted by the listed deadlines, City & Guilds cannot guarantee that candidate grades will be released by the advertised results date.

2. Exams timetable by industry area

Industry, and sub-industry (if applicable)	Qualification number and title	Exam title	Evolve online, Paper based exam numbers	Exam type	Spring exam date	Summer exam date	Autumn exam date	Exam time	Exam duration

About City & Guilds

Since 1878 we have worked with people, organisations and economies to help them identify and develop the skills they need to thrive. We understand the life changing link between skills development, social mobility, prosperity and success. Everything we do is focused on developing and delivering high-quality training, qualifications, assessments and credentials that lead to jobs and meet the changing needs of industry.

We work with governments, organisations and industry stakeholders to help shape future skills needs across industries. We are known for setting industry-wide standards for technical, behavioural and commercial skills to improve performance and productivity. We train teams, assure learning, assess cohorts and certify with digital credentials. Our solutions help to build skilled and compliant workforces.

Every effort has been made to ensure that the information contained in this publication is true and correct at time of going to press. However, City & Guilds' products and services are subject to continuous development and improvement and the right is reserved to change products and services from time to time.
