

Digital Credentials

You've earned your credential
– now it's time to share it!

DIGITAL CREDENTIALS FROM CITY & GUILDS

Three reasons to share your digital credential

1. Celebrate your success

Share your credential on LinkedIn to show potential employers what you have achieved.

2. No more lost certificates

Your digital credential will never go missing! It's like a digital passport. It stores your achievements safely and securely so you can proudly display them anywhere, anytime.

3. Your CV for life

Digital credentials are a great way to show who you are, your abilities and the skills you pick up as you go through life.

How to share your digital credential

1. Create an email address
2. Give your email address to your Novus Works Advisor
3. Receive an email from Credly
4. Set up your Credly account
5. Access your digital credential
6. Start sharing your achievements
