Key points to bear in mind when seeking funding for adult (19+) learners in England

Maths and English – funding from ESFA

1. The maths and English funding legal entitlement for adults (aged 19+) is set out in **Paragraphs 150-156** of the Education and Skills Funding Agency's [Adult Education Budget \(AEB\) funding rules for 2021-22](#).
2. **Full funding** for maths and/or English under the AEB is available where learners have not previously attained GCSE grade 4 (or C) or above in these subjects.
3. Broadly, the following types of maths and English **qualification** may be funded under the AEB:
 - GCSE (not offered by City & Guilds)
 - Functional Skills at Entry 1, Entry 2, Entry 3, Level 1 and Level 2
 - approved 'stepping-stone' qualifications (intended to support and recognise progress towards Functional Skills and/or GCSE), up to Level 1.
4. Only certain stepping-stone qualifications have been approved for funding, for example:
 - only **Entry level** qualifications of at least **45** Guided Learning Hours
 - **Level 1** qualifications normally need to be at least **120** Guided Learning Hours, if internally assessed
 - **no Level 2** qualifications (only Functional Skills or GCSE).
5. However, it is possible to draw AEB funding for individual **components (units)** of approved stepping-stone qualifications. This includes most units contained within the **rules of combination** for the 'Certificate-sized' qualifications at Entry 1, Entry 2, Entry 3 and Level 1 within the English/Mathematics Skills suite.

In practice, this means **nearly all units within the 3847 suite**, up to and including Level 1, can be **delivered and funded individually!**

A complete list of fundable maths and English **units** from our English/Mathematics Skills suite (3847) can be found on the following pages (with **hyperlinks** to the relevant listing on [Find a Learning Aim \(FaLA\)](#)).

When accessing funding for units, the relevant **Unit Aim (UAN)** must be used, **not** the Qualification Aim (QAN) for the single unit qualification.

For example (for 'Reading words, signs and symbols' at Entry 1):

- ✓ Use [L5044991](#) (aim type 'QCF unit')
- ✗ **Not** [60075004](#) (Entry level Award in...)

ESOL – funding from ESFA

1. 'ESOL Skills for Life' is the only category of qualifications currently eligible for funding under the AEB that are intended **specifically** to support English language acquisition by speakers of other languages. The ESOL qualifications legal entitlement for adults (aged 19+) is set out in **Paragraphs 161-162** of the Education and Skills Funding Agency's [Adult Education Budget \(AEB\) funding rules for 2021-22](#).
2. These qualifications are available at Entry 1, Entry 2, Entry 3, Level 1 and Level 2. They include 'Awards' in each of the modes (as defined in the Adult ESOL Core Curriculum, ie Reading, Writing and Speaking & Listening), as well as a 'Certificate' at each level combining all modes.
3. Full funding is only available to **unemployed** adults and those earning **less than £17,374.50** annual gross salary (see **Paragraphs 122-124** of the AEB Funding Rules); otherwise 'co-funding' applies.
4. Because of the uniquely diverse profile of ESOL learners and range of delivery settings, **it is possible to claim a funding top-up** where additional delivery hours (beyond the ESOL qualification's listed rate) are needed. For details, please see the [AEB Funding Rates and Formula](#).

Devolved AEB funding from Greater London Authority or Mayoral Combined Authorities

1. Administration of the Adult Education Budget within **Greater London** is devolved to the Mayor of London. For details, please see london.gov.uk/what-we-do/skills-and-employment-1/adult-education-budget.
2. Administration of the AEB has also been devolved to the following Mayoral Combined Authorities (MCAs). For details, please see information from the relevant MCA.
 - [Cambridgeshire and Peterborough](#)
 - [Greater Manchester](#)
 - [Liverpool City Region](#)
 - [North of Tyne](#)
 - [South Yorkshire \(Sheffield City Region\)](#)
 - [Tees Valley](#)
 - [West Midlands](#)
 - [West of England](#)
 - [West Yorkshire](#).

Traineeships

Information about the maths, English and ESOL requirements (along with those for digital skills) within Traineeships is set out in **Section 3** of the [Adult Education Budget \(AEB\) funding rules for 2021-22](#). The **funding** arrangements for adult learners (19+, without an Education and Health Care Plan) effectively mirror those for all other maths and English provision delivered under the AEB, although there is **no devolution** to the Greater London Authority or Mayoral Combined Authorities.

Apprenticeships

Information about the maths and English qualification attainment requirements and funding arrangements within Apprenticeships can be found within the Education and Skills Funding Agency (ESFA) [Apprenticeship funding rules](#) documents. Please note **different funding rates** apply to maths and English qualifications when delivered as part of an Apprenticeship (eg normally **£471** per Functional Skills qualification) from those that apply to the AEB. Likewise, apprenticeship funding has **not** been devolved to the Greater London Authority or Mayoral Combined Authorities.
