Resources

This SmartScreen package supports the 9302 Level 3 Heavy Vehicle Service and Maintenance Technician Apprenticeship (9302), providing a dedicated e-learning package to cover the technical knowledge apprentices need to cover. The content is the most sophisticated available on the market, offering a more interactive experience than other comparable products. The e-learning:

- uses serious gaming principles
- is full of interactive animations and simulations
- has photorealistic graphics
- contains discovery-based learning
- focuses on doing, not reading
- hones problem-solving skills
- develops critical thinking

- is designed for visual and kinesthetic learners
 - allows users to learn by doing instead of memorising
-
