### Resources

- Schemes of work – an ideal guide for tutors and centres to ensure that all the learning requirements are covered when delivering the qualification.
  - Sample lesson plans – to give tutors inspiration and save valuable planning time.
  - PowerPoint presentations – slide decks that allow tutors to save valuable preparation time, while still delivering a professional and engaging presentation in the classroom.
  - Handouts – provide a convenient way of presenting key information to learners in a classroom setting. They save tutors time and give learners the confidence that they are receiving the information they require.
  - Worksheets – these can be used by learners to review and implement what they have learned. Worksheets can be projected onto the whiteboard or downloaded for tutors to make changes and adapt to their own delivery style.
  - Activities – an outstanding range of training activities that will keep learners engaged and motivated.
  - Case studies – these use real-life examples to illustrate key customer service themes.
