

Hair and Beauty Studies

Level 2 Principal Learning

Level 2 Unit 3: The science of hair and beauty

Learning outcomes	Band 1	Band 2	Band 3
	The learner has:		
	0 to 5 marks	6 to 9 marks	10 to 15 marks
1 Understand the key factors that affect the health and condition of hair, skin and nails	<p>Explained showing a limited awareness hair, skin and nail anatomy and physiology. <input type="checkbox"/></p> <p>Explained showing a limited awareness how key factors affect the health and condition of skin, hair and nail. <input type="checkbox"/></p> <p>Explained showing a limited grasp how imperfections and conditions can affect or limit services. <input type="checkbox"/></p>	<p>Explained showing a clear comprehension hair, skin and nail anatomy and physiology. <input type="checkbox"/></p> <p>Explained showing clear comprehension how key factors affect the health and condition of skin, hair and nail. <input type="checkbox"/></p> <p>Explained showing a clear grasp how imperfections and conditions can affect or limit services. <input type="checkbox"/></p>	<p>Explained showing an extensive appreciation hair, skin and nail anatomy and physiology. <input type="checkbox"/></p> <p>Explained by showing an extensive appreciation how key factors affect the health and condition of skin, hair and nail. <input type="checkbox"/></p> <p>Explained showing a full grasp how imperfections and conditions can affect or limit services. <input type="checkbox"/></p>
Justification comments <div> <p>Mark for LO1 = <input type="text"/></p> </div>			

	0 to 4 marks	5 to 8 marks	9 to 12 marks
2 Know the scientific principles used within basic hair, beauty and nail technical services	<p>Described showing limited knowledge how active ingredients of hair and beauty products work. <input type="checkbox"/></p> <p>Described showing limited knowledge the tests used in the hair and beauty sector. <input type="checkbox"/></p> <p>Described showing limited knowledge the pH chart and the affects of pH. <input type="checkbox"/></p> <p>Summarised showing partial knowledge the uses and functions of electricity. <input type="checkbox"/></p> <p>Showed limited insight of the effects and use water type, temperature, heat and light on service delivery, products and equipment. <input type="checkbox"/></p>	<p>Described showing clear knowledge how active ingredients of hair and beauty products work. <input type="checkbox"/></p> <p>Described showing clear knowledge the tests used in the hair and beauty sector. <input type="checkbox"/></p> <p>Described showing clear knowledge the pH chart and the affects of pH. <input type="checkbox"/></p> <p>Summarised showing suitable knowledge the uses and functions of electricity. <input type="checkbox"/></p> <p>Showed clear insight of the effects and use of water type, temperature, heat and light on service delivery, products and equipment. <input type="checkbox"/></p>	<p>Described showing broad knowledge how active ingredients of hair and beauty products work. <input type="checkbox"/></p> <p>Described showing extensive knowledge the tests used in the hair and beauty sector. <input type="checkbox"/></p> <p>Described showing extensive knowledge the pH chart and the affects of pH. <input type="checkbox"/></p> <p>Summarised showing considerable knowledge the uses and functions of electricity <input type="checkbox"/></p> <p>Showed broad insight of the effects and use of water type, temperature, heat and light on service delivery, products and equipment. <input type="checkbox"/></p>
