

# Examination Timetable Summer 2016

## City & Guilds Principal Learning Units

### Timetable guidance

- Each examination must be taken on the day and at the time shown on the timetable. The published starting time of all examinations is either **9.00am** or **1.30pm**. Candidates taking more than one examination in a session should take these consecutively. A **supervised** break may be given between the examinations taken consecutively at the discretion of the centre.
- Centres may start an examination up to 30 minutes before the published starting time without notifying City & Guilds.
- Centres may delay the starting time of an examination within the scheduled session without notifying City & Guilds **but candidates must be supervised from 9.30am for morning examinations or 2.00pm for afternoon examinations.**
- For information on any other timetable variations, please refer to the JCQ *Instructions for conducting examinations* or contact City & Guilds.
- Candidates must remain under supervision until **10.00am** for morning examinations and **2.30pm** for afternoon examinations. For examinations of less than one hour's duration, candidates must remain under supervision for a period equal to the duration of the examination **after the published starting time** shown on the timetable.
- The **Level 2 Principal Learning in Engineering (2764-02)** dated entry examination includes pre-release material in advance of the normal timetable period. Centres should check the specification for information on the material required by candidates.
- Any reading time specified for an examination is included in the time specified.
