

To City & Guilds,

The Hairdressing Council would like to provide our support to City & Guilds, we feel the following qualification is suitable for a young person between the ages of 16-19 studying full time and will give that young person an advantage when going onto applying for a job or progressing onto an apprenticeship or further learning. This qualification is suitable for someone wanting to work in the hair and media make up industry and as such this qualification is recognised by the industry. As a Hair and Media Make up Artist the industry will require that they cover both sets of skills both in hair and Make up. The following qualification allows the learner to gain these skills and knowledge.

The Hairdressing Council support the inclusion of:

- City & Guilds Level 2 Diploma in Hair and Media Make up 500/8845/2
- City & Guilds Level 3 Diploma in Hair and Media Make up 500/9001/X

For inclusion on the DfE 2017 performance tables in the technical level qualifications at level 2 and 3 category.

We feel that once the learner has gained this qualification which covers a sound understanding and key practical skills for the Hair and Make up industry they could take a position as progression opportunities into employment are:

- Hair and Media Make up Artist

We confirm that we consent to our company name (and logo) being made publicly available on the DfE and City & Guilds websites.

Yours sincerely
