13 Pat is a busy mum with young children. She has come to the nail salon for advice on the options available for her nails. She would like to grow her own nails. Her nails are thin, damaged and uneven and she tends to pick the skin around the nails. She likes to wear colour on her nails with nail art. She only has the time to come into the salon approximately once a month.

Discuss the treatments and service options that would improve the condition and appearance of her hands and nails.
