9 Lisa often comes to the salon for facials and hair removal. She is getting married in two months and her main concerns are in-growing hairs on her chin, dry dehydrated skin on her face and brittle and dry nails which are due to her occupation.

Lisa would like you to prepare a treatment plan running up to the event to address her main concerns. She is willing to invest time and money to look her best on the wedding day.

Discuss the treatment options available recommending a justified treatment plan for the client. (12 marks)
