

Wednesday 6<sup>th</sup> July 2016

Dear Emma,

The Spa at Hale Country Club is a luxury destination spa that includes a gymnasium, indoor/outdoor pool, rooftop wellness pool, sauna and steam rooms and champagne lounge. We provide a vast range of treatments to our clientele. In turn, The Spa at Hale Country Club employs a range of expert beauty/spa, nail and complementary therapists from a wide range of backgrounds. Our standards are high and we seek excellence.

We would like to support the following City and Guilds qualification:

**Title: City and Guilds Level 2 Technical Certificate in Nail Treatments**

This qualification has been developed with the needs relating to skills and knowledge of the beauty retail sector in mind and therefore the following have been included:

- Anatomy and Physiology for hands and feet
- Introduction to working in the Nail Industry
- Nail Enhancements (Clear)
- Nail Art
- Manicure
- Pedicure
- Light cured gel polish

We believe that the above practical skills and underpinning knowledge would give a young person an advantage when seeking employment and are essential for a new employee in the role of a Nail Technician. We support the development of this City and Guilds Technical qualification and feel that it is fit for purpose across the nail industry.

We confirm that we consent to our company name (and logo) being made publicly available on the DfE and City and Guilds websites.

Yours sincerely,

Sasha Fillaudeau  
Spa Manager – Hale Country Club

Hale Country Club & Spa
