BEDFORD LODGE HOTEL

Friday 16<sup>th</sup> October 2015

Dear Emma,

Considered one of the finest luxury spas in Suffolk, the spa at Bedford Lodge hotel in Newmarket boasts some of the finest facilities and treatments available across the East Anglia region. Recognised by the Good Spa Guide with their highest '5 Bubbles' rating, we are proud of the spa days and breaks that we offer.

We have been consulted with in light of the development of the new City & Guilds beauty/spa related Level 3 Advanced Technical level qualifications and are therefore satisfied that the content meets both our needs as an employer in this sector and those of the young people taking it who are preparing for a career in the beauty/spa and complementary therapies industries.

We would like to support the following City & Guilds qualification:

**Title:** City & Guilds Level 3 Advanced Technical Diploma in Beauty and Spa Therapy (540)

This qualification has been developed with the needs, relating to practical skills and knowledge, of the beauty/spa therapy sector in mind. We believe that such practical skills and knowledge would give a young person an advantage when seeking employment and are essential for a new employee in the role of:

Fully qualified Senior Beauty/Spa Therapist

We support the development of this City & Guilds Advanced Technical level qualification and feel that it is fit for purpose across the beauty and spa industry. We confirm that we consent to our company name (and logo) being made publicly available on the DfE and City and Guilds websites.

Yours sincerely,

Stephanie Findlay

Assistant Manager and Manager of Training
