Dear Emma,

Sanctum Beauty was opened on 6th April 2012 and provides an extensive range of high quality beauty therapy treatments. Our therapists are trained to the very highest standards, and continuing professional development is a key factor at Sanctum Beauty, to ensure we are always offering our clients the best possible treatments and techniques.

I would like to support the following City and Guilds qualification:

City and Guilds Level 3 Advanced Technical Diploma in Beauty and Spa Therapy (540)

The following units are included and cover the practical skills and underpinning knowledge essential when working as a Senior Beauty/Spa Therapist.

- Promoting and selling products and services to clients
- Providing body massage treatments
- Providing facial electrotherapy treatments
- Providing body electrotherapy treatments
- Anatomy and Physiology
- Providing dry spa treatments

I believe that this qualification has been developed with extensive employer involvement and meets the needs required across the beauty/spa therapy sector.

In turn, I believe that these skills and knowledge would give a young person an advantage when seeking employment in the role of:

- A fully qualified Senior Beauty/Spa Therapist

I confirm that we consent to our company name (and logo) being made publicly available on the DfE and City and Guilds websites.

Yours sincerely,
