Dear Emma,

Steiner is the largest and most renowned company that operates spas at sea. We have offered quality spa and salon services at sea for over 50 years and employ over 2000 spa professionals every year to travel while they work. Steiner offers cruise ship jobs, recruitment and training for spa, beauty, massage, fitness instructors, acupuncturists, hairdressers, nail technicians and receptionists for our spas onboard luxury cruise ships. Our cruise ships sail all over the world.

We would like to support the following City and Guilds qualification:

**Title:** City and Guilds Level 3 Advanced Technical Diploma in Complementary Therapies (540)

This qualification has been developed with the needs, relating to practical skills and knowledge, of the complementary therapies sector in mind. Mandatory skills include, Principles and practices for complementary therapies, Business practice for complementary therapies, Knowledge of anatomy, physiology and pathology for complementary therapies, Provide body massage for complementary therapies, Provide aromatherapy for complementary therapies and Provide reflexology for complementary therapies.

We believe that the above skills and underpinning knowledge would give a young person an advantage when seeking employment and are essential for a new employee in the role of:

### **Fully qualified Senior Complementary Therapist**

We support the development of this City and Guilds Technical qualification and feel that it is fit for purpose across the complementary therapies industry.

We confirm that we consent to our company name (and logo) being made publicly available on the DfE and City and Guilds websites.

Yours sincerely,

Debbie Pritchard  
Head of International Recruitment  
Steiner Training Limited
