We are 'not for profit' and our main concerns are the well-being of our members, regulation of the industry and public welfare.

Governed by a Council of industry professionals, we also offer unrivalled beauty expertise, a rigorous ethical code and a professional practice standard. Our logo is a sign of confidence; display it with pride and give clients the reassurance of your qualifications and commitment to excellence.

We would like to provide our support to City and Guilds, as a Professional Association for beauty, nails, spa, hair and media and complementary therapies industry, we feel that the following qualification is suitable for a young person between the ages of 16-19 studying full time and will give that young person an advantage when going on to applying for a job or progressing onto further education.

We believe this qualification is suitable for someone wanting to work as a fully qualified Senior Complementary Therapist and as such is recognised by the industry.
