

Process chart for centre approval to offer the JIB Restricted qualification 2356-99

The 2356-99 is a restricted qualification and is only available to centres that fully meet the requirements to offer the qualification set out by the JIB.

Approval is for an annual registration, allowing centres to register candidates on the qualification.

Information about the 2356-99 is available by email from the JIB by emailing k.sulsh@jib.org.uk

Note: the 2356-99 is for mature assessment candidates and includes the AM2, it is not for new entrants into the electrical industry
