# 1 General Questions

## **Who is this qualification for?**

This award is intended for qualified electricians who will be required to install grid connected domestic photovoltaic systems that are either integrated into, or retro onto, a domestic dwelling. It is concerned with domestic systems installation within prescribed specifications and therefore does not cover design or glazed or curtain wall systems.

## **What level is this qualification available at?**

Level 3.

## **What are the Guided Learning Hours (GLH) for this qualification?**

30 GLH

## **What is the QCA reference number?**

This is not an accredited qualification.

## **Which qualifications are related to this one?**

- City & Guilds Certificate in Electrotechnical Technology (2330)
- City & Guilds Certificate in Electrotechnology
- City & Guilds Certificate in the Requirements for Electrical Installations (BS 7671: January 2008) (2382)
- City & Guilds Certificate in Fundamental Inspection, Testing and Initial Verification (2392-10)
- City & Guilds Certificate in Inspection, Testing, Design and Certification of Electrical Installations (2391)

## **What progression to other qualifications is available?**

- City & Guilds Level 3 Certificate in Inspection, Testing and Certification of Electrical Installations (2391-10)
- City & Guilds Level 3 Certificate in Design, Erection and Verification of Electrical Installations (2391-20)

## 2 Other questions

### **Will I have to work at heights during the course?**

Most courses are run at low level, either at ground level or a few feet off the ground as these systems are normally installed at roof level.

### **How many exams are involved?**

There is a practical and a theory exam.

### **What are the details of the exams?**

The detail is included in the scheme documentation and the centre will inform you of the requirements before you sign on for the course.

The practical exam is normally done on a 1:1 or 2:1 basis.

### **Is the course available at all Colleges / centres?**

The course is available at a limited number of centres spread across the country. Check the City and Guilds website for details.
