The original dates were changed based on centre feedback so that centres can more easily work around the Easter break. However City & Guilds recognises that some centres may require question papers for the original dates. If you require a solution for the original dates, there will not be an option available on the Walled Garden, so please contact us at the following telephone number/email address, with where possible details of candidate volumes, so that we can contact you about processing your order manually 0844 543 0000, centresupport@cityandguilds.com

Please ensure that you contact us before the 28 February 2013 if you do require a solution for the original dates, as we will not be able to accommodate centres who wish to make entries for these dates after February.

In addition, please note that the latest Chief examiner reports for 2394 and 2395 are available on the respective web pages.

Thanks
