T Level Technical Qualification in Building Services Engineering for Construction (8710-30)

Employer-Set Project – 1.3 Project Plan
Task 1.3 – Project plan

You have been asked to complete a programme of work plan detailing the stages and considerations required for the installation of the SMART technology you have researched.

The programme of work plan will need to include:
- Key stages of the project
- Detail of which trades will be involved in the project in relation to your chosen technology
- Duration
- The order in which activities will be completed in and their dependencies.

Provide a supporting statement to justify your plan, taking into consideration:
- Health and safety (access and egress)
- Specialist equipment
- Specialist contractors
- Waste management
- How key job roles work within this project.

Your supporting statement should be approximately 750 words.

Your tutor can provide you with a template for the programme of work plan.

Timing of assessment

- You will have three hours to complete your programme of work plan and supporting statement.

Conditions of assessment

- Your programme of work plan and supporting statement should be completed working alone under supervised conditions.

What you must submit on completion of this project plan task

- Programme of work plan and supporting statement (approximately 750 words) – hard copy or file saved securely (e.g. on memory stick to be handed in).

Additional evidence of your performance that will be captured for marking

- N/A

Maths, English and digital skills

- Through completion of this task, you will have the opportunity to generate evidence of your maths skills.
