501/2367/1 Level 2 Certificate for Sustainable Waste Management Operative (Waste Collection)

OVERVIEW

- What does this qualification cover?

This qualification is aimed at Refuse Collection Loaders or Recycling Operatives who want to demonstrate that they are able to work competently in a safe, efficient manner appropriate to and in accordance with industry requirements.

The qualifications cover how to perform a range of local environmental services which may include:

- Collection of waste manually or mechanically.
- Loading and unloading of waste as part of a kerbside collection team
- Providing advice on recycling activities to the public.
- Contribute to the sustainability, maintenance and preservation of the environment.
- Control the risk from vehicle and plan movements on waste management facilities.
- Unloading hazardous, non-hazardous and inert waste transport vehicles.
- Validation and acceptance of waste.

This is a Framework qualification.

- Who could take this qualification?

Refuse Collection Loaders or Recycling Operatives who want to prove competence of the skills and knowledge expected at this level working safely and effectively on their own workplace.

WHAT COULD THIS QUALIFICATION LEAD TO?

Candidates who are successful will be able to progress into further learning by enrolling on an Advanced Level Apprenticeship in Sustainable Resource Management.

For those who enjoy leading teams of people at work, they could progress into our 600/1474/X Level 3 Diploma for Waste Supervisor.

WHO SUPPORTS THIS QUALIFICATION?

This qualification is supported by The Worshipful Company of Environmental Cleaners.
