## **501/2369/5 Level 2 Diploma for Sustainable Waste Management Operative (Waste Site Operative)**

### OVERVIEW

- What does this qualification cover?

This qualification is aimed at Waste Site Operatives who want to demonstrate that they are able to work competently in a safe, efficient manner appropriate to and in accordance with industry requirements.

The qualifications cover how to perform a range of local environmental services which may include:

- Process received waste
- Dispatch stored and received waste
- Clean and adjust small plant and equipment
- Control and carry out landfill operations
- Control the risk from vehicle and plant movements on waste management facilities
- Comply with emergency procedures on waste management activities
- Conduct environmental monitoring on a waste management facility
- Work with others to improve customer service.

This is a Framework qualification.

- Who could take this qualification?

Waste Site Operatives who want to prove competence of the skills and knowledge expected at this level working safely and effectively on their own workplace.

### WHAT COULD THIS QUALIFICATION LEAD TO?

Candidates who are successful will be able to progress into further learning by enrolling on an Advanced Level Apprenticeship in Sustainable Resource Management.

For those who enjoy leading teams of people at work, they could progress into our 600/1474/X Level 3 Diploma for Waste Supervisor.

WHO SUPPORTS THIS QUALIFICATION?

This qualification is supported by The Worshipful Company of Environmental Cleaners.
